Subject: Complaint regarding alleged malicious complaints submitted by Mr. Lingaraju M C in BMTF Police Station at Hudson Circle, NR Square, Bengaluru for personal reasons

Respected Sir/Madam,

As we are not in India, We wish to bring to the attention of the Hon'ble Commission certain concerns regarding the repeated and alleged misuse of the Right to Information (RTI) mechanism by Mr. Lingaraju M C in relation to RTI applications filed before BBMP(AE & AEE), BESCOM (AE & AEE), BWSSB and **BMTF** offices at RajaRajeshwari Nagar Zone, Bengaluru.

While the RTI Act is an important instrument for ensuring transparency and accountability, it is respectfully submitted that the RTI process should not be used in a manner that results in unnecessary harassment, personal targeting, or undue administrative burden on public authorities.

It is observed that multiple RTI applications and related complaints have allegedly been filed by Mr. Lingaraju M C before BBMP, BESCOM, and BWSSB involving repetitive queries, excessive demands for records, and matters that appear to extend beyond genuine public interest objectives. Such repeated applications reportedly consume significant public resources, divert departmental manpower, and disrupt routine administrative functioning.

The concerns include:

- Filing repetitive RTI applications on substantially similar subjects before BBMP, BESCOM, and BWSSB.
- Seeking voluminous or unrelated records without clear public interest

justification and using alleged proxy addresses.

- Causing avoidable diversion of departmental manpower and administrative resources.
- Alleged use of RTI proceedings for personal targeting or harassment of officials and private individuals.
- Repeated correspondence and applications affecting normal administrative work.
- Possible misuse of information obtained through RTI for non-official purposes or publicity.
- Alleged use of multiple or proxy addresses in complaints/applications, creating difficulty in identifying the actual originating source of repeated representations.

In view of the above, I respectfully request the Hon'ble Commission to:

1. Examine the pattern and nature of the RTI applications submitted by Mr. Lingaraju M C before BBMP, BESCO, and BWSSB.
2. Determine whether the conduct amounts to vexatious or abusive use of the RTI mechanism.
3. Verify whether multiple or proxy addresses are being used in related complaints or representations.
4. Issue suitable safeguards or directions to prevent misuse of the RTI process while preserving the legitimate objectives of transparency and accountability.
5. Protect public authorities from unnecessary harassment and excessive diversion of resources.
6. Take appropriate action if any abuse of process or violation of RTI provisions is found.
