Respected Sir/Madam,

With reference to the trailing email and the Minutes of the Pre-Bid Meeting pertaining reference No. BBMP/2024-25/IND0121 dated 19.04.2025, we would like to respectfully express our concerns regarding certain critical points related to the Pre-Qualification Criteria.

During the pre-bid meeting held on 03/04/2025, the committee members had acknowledged upon the following clarifications:

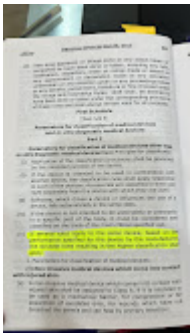

- a) Experience of Health Kiosks shall be considered valid and acceptable under the eligibility criteria,
- b) The Portable Laboratory Kit (covering 70 parameters) comprises multiple medical devices and is categorised under CDSCO License MD-9 (Class-C). A clarification regarding its licensing and compliance requirements was requested and positively discussed during the meeting. however, the same has not been incorporated or addressed in the official minutes/corrigendum released post the meeting, copy of the Medical Device Rules, 2017 attached herewith for your kind reference..

In light of the above, we kindly request you to review this matter on priority and permit the submission of relevant documents in accordance with the discussions held during the pre-bid meeting.

We appreciate your consideration and look forward to a prompt resolution

Regards,
HealthATM India Private Limited,
